

DATE

To Whom It May Concern:

Your Child/Student has been selected to participate in our After-School Tutoring Program at CEMS. Our program gives students that are struggling in any one of their core classes the opportunity to work with a certified teacher after school. Our program runs on Tuesdays and Thursdays from 2:45 – 3:45, beginning Tuesday, October 11<sup>th</sup>, and runs thru March 30<sup>th</sup>. We recommend that your child/student attend both Tuesdays and Thursdays, but understand if only one of these days work for your schedule. Additionally, **you will NEED to provide transportation for your student after tutoring each day.**

Please select the date(s) below that your child/student will be able to participate in our After School Tutoring Program. Please return this form to \_\_\_\_\_ by their first day of tutoring. If you have any questions or concerns, please contact your child's team leader.

Thank you and we look forward to working with your child/student.
