

May 23rd 2017

Dear Parents,

Shirley Mann Elementary School is excited to announce our continued partnership with the Boone County Public Library for the 'Its Summer Reading Y'all!' program. This program encourages continued reading throughout the summer with ongoing events and prizes as students track and log minutes read either on the included sheet or through the Boone County Library link provided below on June 1st.
<http://bcpl.readsquared.com/>

Each student will receive a copy of the recommended grade level reading book for the grade the student will be entering next year. Your child will need to return this book to Mrs. Langsdale in the Mann Library at the Back to School Event at Mann in August! Please see the included flyer for more information on the 'Its Summer Reading Y'all!' program and all the exciting details or visit the Mann Elementary School website.

If your child is in grades K – 5 they will need to visit the Boone County Library to create an account to log your reading minutes. Please make sure create to those accounts so we can be the #1 elementary school in Boone County to log the most reading minutes! Reading minutes can be recorded online at <http://bcpl.readsquared.com/> or on the included reading log sheet starting June 1st.

Finally, we want to encourage our students to read and log those minutes on the BCPL website! Remember, we not only want to see our students keep reading for fun, but we also want to see our school log the most minutes out of all the schools participating! So, have fun, keep reading and logging those summer reading minutes!

Sincerely,

Mrs. Jeanne Langsdale
Librarian
Mann Elementary School
