

# Education Enhancement Opportunity

Request for EHO must be received by the office at least 10 days before the absence.

An EHO will NOT be approved after the absence event.

The expectation is that the activity for which the excuse was granted would provide a high-quality, educationally relevant experience that supports the student's in-school program. If approved, while you are away your child should complete a daily written journal for grades 1-5 or a picture journal for Kindergarten. The journal should contain information about the trip and the educational opportunities he or she has experienced. The report will be due 5 days after he/she returns to school.

If your child fails to turn in their project the absence will be marked as parent note excused/unexcused (students are allowed 6 parent notes). EHO's will not be granted during the Testing Window in the spring. EHO's may be granted up to a maximum of ten school days during the school year.

Any student with an excused absence/event will be provided the opportunity to make up work missed within one week. It will be at the discretion of the teacher as to whether homework will be provided prior to the absence.

Please complete below for approval, a copy will be sent home for your records.
