

TES Summer Online Learning

Are you concerned about having opportunities for your child to continue learning over this summer?

Look no further than TES and our summer online learning opportunities!! TES students will have continued access to Lexia, Reading Plus, and Dreambox!!

To access programs, go to the District Programs Dashboard located on the TES website. Your student should be familiar with the dashboard and know how to log in.

These programs will be available until July 12th.

To continue learning through the summer, TES encourages ALL students to keep using Lexia, Reading, Plus, and DreamBox in addition to participating in the Boone County Library's Summer Reading Program. So rack up those units, combos, lessons, and reading minutes and come to one of our summer check-ins! We will celebrate your hard work and you can trade your progress for prizes! You'll also get to meet our new librarian, Mrs. Shearer, and do some cool activities!
