

Hello!

Welcome back to school, I hope everyone is settling back into a good routine. I am Adrienne Jamison; I have taken a seat on the PTSO board as the Volunteer Coordinator. I am very excited to be over at the Middle School now and am looking forward to meeting and working with each of you.

We are very excited to be trying something new this year, Volunteerspot.com. This site will allow us to create events for volunteers and needs/items for that specific event. After the event is created, the school will be emailing out a mass email to you with the Volunteer Spot Link. You click on the link and supply your email address and sign up for the event you want or item that is needed. After you sign up volunteer spot will send reminders about your event you are participating in as well.

I have also included all our upcoming volunteer needs and times. If you can help out with any of these and don't want to wait for the Volunteer Spot email to come out, email me your interests and I will get you marked down for your event.

If you no longer have a student at CEMS, please send me a quick email so that I can take you off our list.

AUGUST NEEDS:

8/30: Final Magazine Sale Turn In

*:30-8:00am

*During Lunch time
