Dear Parents/Guardians,

School safety is essential to the health and success of our students. Camp Ernst Middle School is committed to the development and implementation of our School Centered Emergency Management and Recovery plans. Under certain circumstances, a full-scale evacuation may be required.

If a full-scale school evacuation to an alternate site is required, buses will be assigned to respond to a safe and secure location designated by Boone County Emergency Management or the Boone County Sheriff Department for student pick up. Students will then be transported to Conner Middle School for parent reunification.

After the completion of student accountability procedures, students will be released to their parents at Conner Middle School, 3300 Cougar Path, Hebron, KY 41048. Parents will be required to present a photo ID in order for a student to be released. No parent will be allowed on Camp Ernst Middle School campus, per Sheriff/Police roadblocks, or be allowed to pick up their child from campus during an actual full-scale school evacuation.

Sincerely,

Mr. Christopher Brauch
Assistant Principal
