SACC (Boone County) Program Policies and Procedures:

- Students attending an SACC program must be potty-trained.
- SACC programs will follow the Boone County Public School schedule.
- We do have a bus agreement with Boone County Transportation. However, **a student can only be issued ONE bus number/bus stop for pick up and ONE bus number/bus stop for drop off!** Students cannot have a mix of times and locations to be picked up or dropped off to school or to get home.
 - Parents are responsible for setting up their child's transportation needs through their child's school.
- Under **no circumstances** should my child bring their own toys or electronic devices.
 - Include, but are not limited to: electronic devices/games, video watches, **cell phones**, card games, or other personal items such as nail polish, makeup, etc. The **staff will confiscate the item** and return it to the parent at the end of the day.
- A detailed record of my child(ren)'s arrival and departure will be documented. Child(ren) must be signed in and out of the program with ⓐ the time noted of their arrival and departure, ⓑ the parent/guardian's full name, and ⓒ signature.
 - **This is a state law and must be done every day.**
 - Individuals receiving financial/state assistance are required to participate in additional reporting and documentation.
- All YMCA programs have a nit free lice policy, which is different from the public-school system. If your child is found with lice or nits/eggs, the child may not attend the program. Student may not return until they have been checked and cleared by the Site Director/Coordinator.
- The program will often enlist special programming from outside resources and non-YMCA individuals may engage in activities with my child. At no time, under any circumstances, will a child be engaged in said activity without a YMCA staff member present. (i.e.: Library bus visits, special event visits, off-site field trips, etc.)
- I understand that I must review and FULLY complete and submit all requested paperwork prior to the start of the program. **This includes providing a Kentucky Immunization Certificate.**
 - An expiration date must be documented on the certificate. A copy of shot records, MyChart records, or out of state records will not be accepted.
 - If the certificate will expire during the program year, parent/guardians are responsible to provide an updated certificate in order for their child to attend the program.
 - Families only have a 7-day grace period on an expired immunization certificate before their child is withdrawn from the program. A student may not return until a valid certificate is submitted and all tuition payments are still due during suspension.
- If Boone County Schools are closed, our SACC programs are also closed. If available, SDO and Snow programs will be available at our R.C. Durr YMCA location. (SDO/SNOW programs are **NOT** available for SACC students at North Pointe).
 - **Snow Day Programs are in no way affiliated with the SDO (Schools Day Out) programs.** Snow Day programs are designed to provide care in the event of unforeseen school closings and SDO programs are designed to provide care in the event of a scheduled closing on the school calendar. They are two separate registration processes, forms, and programs.
 - Families must purchase/register for the SDO (School Days Out) program in advance.
 - Families can pre-purchase Snow Day Insurance to guarantee their student a spot in the Snow Day program. Even with insurance, the daily snow rate applies for each day used.
 - Parents can bring their child to the Snow Day program and purchase registration for the day - if space is available.
 - Detailed information about SDO & SNOW DAY programs is found in your SACC Parent Handbook.

YMCA Policies

- You expressly acknowledge on behalf of yourself and your heirs that you assume the risk of any and all injuries and illnesses, which may result from your child's participation in program activities. Parents/Guardians agree to release and discharge the YMCA, its agents' servants, and employees from any and all claims for injury, death, loss or damage, which a child may suffer as a result of their participation in program activities.
- To meet mandatory reporting responsibilities (i.e.: United Way requirements, state reporting mandates, program evaluations, etc.) information is shared with internal and external identities as part of the process of interpreting YMCA programs.
