Comparative Embryology

Chicken versus Human
Head turns towards large end of egg
Create a Venn Diagram showing the similarities and differences between the embryos at this stage of development. Be detailed and specific.
Chicken vs. Human Embryo 2

Create a Venn Diagram showing the similarities and differences between the embryos at this stage of development. Be detailed and specific.
Create a Venn Diagram showing the similarities and differences between the embryos at this stage of development. Be detailed and specific.
Wrapping it Up

- Look through all three Venn Diagrams.
- What are the major similarities and differences between the development in these two embryos?
- Where do the biggest differences occur?
